Mr. Eugene D. Alexander
507 Palisade Avenue
Yonkers, N.J.

Dear Sir:

At the suggestion of Dr. E. L. Stephenson, I am writing to ask if you would consider an invitation to become an Associate Member of our Society. Dr. Stephenson has told me of your interest in medals and I presume you have already visited our Museum and know of its aims. One of the privileges offered to our members is that of subscribing to our medals issued by the Society, of which there is usually one a year. At the present time, we are planning a medal to commemorate the coming of the Nieuw Amsterdam in 1664, and this being designed by Hermon A. MacNeil.

The Annual dues are but five dollars, and if you can see your way clear to becoming a member, I shall be very glad to present your name to the Council at its next meeting, which, however, will not be held before March.

Very truly yours,

Secretary
